Tina Fraley, CFO, selected for Leadership Goshen

ELKHART, July 15, 2020— The Goshen Chamber of Commerce recently chose one of Council on Aging’s top executives to be a part of a program to identify and foster future community leaders.

Tina Fraley has been with COA since 2015 and has always gone above and beyond to make sure everything is running smoothly. The nine-month Leadership Goshen program she was chosen to be a part of motivates and introduces participants to build on their skills, learn new things and look at the community as a whole. Monthly sessions give opportunities to network while learning valuable knowledge from current community leaders in every industry. The Chamber’s goal is to facilitate communication, awareness, leadership, and motivation through both a personal and community-focused lens.
